

MODULE 11 WORKSHEET

PRESENTATIONS

Finding Inspiration and Motivation

List all the places where you could find creative inspiration:

Are you a morning lark or a night owl? Plan your creative time accordingly!

What kills your creativity? And how can you avoid that?

What would be your best creativity “generators”?

What days or times will you COMMIT to setting aside only for your creative work?

What “interrupters” can you turn off or avoid during that time?
