

MODULE 11 WORKSHEET

PRESENTATIONS

Upleveling Your Design Presentations

Where do you present to clients? Would you change that? How?

How do you “set the mood” for an amazing experience?

What tools and assets do you showcase to impress the client?

What do you include to show your niche and viewpoint?

How can you brand your presentation or the materials?

What new ideas can you bring to your presentations that will WOW the client?

What props can you use? And will you offer client gifts?
